The Societies Act 1966, on the
18th day of April 1997
Registrar General
Lesotho.

CONSTITUTION OF LESOTHO LAND SURVEYORS ASSOCIATION

1. The Name

1.1 The name of the association is LESOTHO GEOMATICS INSTITUTE, hereinafter referred to as the Association.

1.2 The Association is the principal voluntary professional body representing licensed land surveyors and geomatics practitioners in the Kingdom of Lesotho. It operates in a complementary capacity to the Land Surveyors' Board (which oversees licensing), the Chief Surveyor (responsible to the Commissioner of Lands under the Land Survey Act as amended by Act No. 2 of 2019), and the Land Administration Authority (which administers the national cadastre under the Land Administration Authority Act No. 9 of 2010). The Association does not replace, replicate, or compete with the statutory functions of those bodies.

2. Definitions

2.1 'Geomatics' in this Constitution means the discipline of gathering, storing, processing, and delivering geographically referenced information. It includes land surveying, engineering surveying, hydrographic surveying, photogrammetry, remote sensing, Geographic Information Systems (GIS), and global navigation satellite systems (GNSS), applied to the measurement, representation, and management of land and other spatial features

3. Legislative framework

3.1 The Association operates within the legislative framework established by:

(a) The Land Survey Act No. 14 of 1980, as amended by the Land Survey (Amendment) Act No. 2 of 2019 (Gazette Vol. 64, No. 30, 18 April 2019) — the principal law governing land survey practice in Lesotho;

(b) The Land Survey Regulations, 1982, made under the Land Survey Act;

(c) The Land Administration Authority Act No. 9 of 2010 — establishing the LAA as the body responsible for administering the national cadastre; and

(d) The Land Act No. 8 of 2010 — governing land tenure, leases, allocations, and the Commissioner of Lands' functions.

3.2 The Chief Surveyor holds an office in the public service responsible to the Commissioner of Lands. The Chief Surveyor chairs the Land Surveyors' Board established under the Land Survey Act as amended.

4. Headquarters

The headquarters of the Association shall be in Maseru. The Association's communications and notices may be sent to:

C/O Chief Surveyor, P.O. Box 876, Maseru 100.

5. Objectives

The Association shall have the following objectives:

5.1 To promote knowledge of the land survey profession in Lesotho and to ensure maintenance of high degrees of professional and technical standards.
5.2 To lay down rules of conduct and ethics for members of the land survey profession, ensuring that at all times they act professionally and ethically.
5.3 To lay down survey tariffs which members may charge clients for services rendered, which tariffs may be reviewed from time to time as need arises.
5.4 To promote, facilitate, and undertake research and dissemination of information relevant to the land survey profession at all levels — academic, technical, and practical.
5.5 To foster co-operation amongst members by means of:

(a) Workshops;
(b) Professional discussions;
(c) Public lectures;
(d) Advisory services; and
(e) Social activities.

5.6 To lay down a code of conduct for land survey practitioners, safeguarding the protection and interests of the public.
5.7 To promote land survey practitioners as producers and managers of spatial data, and to promote the value of their services and skills.
5.8 To work in close cooperation with:
(a) The Chief Surveyor — an officer in the public service responsible to the Commissioner of Lands — and the Chief Surveyor's subordinates. The Chief Surveyor's duties under Act No. 2 of 2019 include chairing the Land Surveyors' Board, establishing spatial data infrastructure, and maintaining the national geodetic control network;
(b) The Land Surveyors' Board, constituted under the Land Survey Act as amended, comprising:

- the Chief Surveyor as Chairperson;
- a representative of the Land Administration Authority;
- licensed surveyors;
- a representative of the Ministry of Local Government and Chieftainship Affairs; and
- a representative of the Ministry of Education.

(c) The Land Administration Authority (LAA), which administers the national cadastre under the Land Administration Authority Act No. 9 of 2010;
(d) The Commissioner of Lands, who exercises land administration functions under the Land Act No. 8 of 2010; and
(e) Other agencies, organisations, individuals, and professionals who promote or deal with similar objectives.

4.9 To raise funds for the benefit of the Association.

4.10 To advocate for the development and modernisation of the legal framework governing land survey practice in Lesotho, including the Land Survey Act, the Land Survey Regulations, and related instruments;

4.11 To promote the adoption of contemporary geomatics technologies — including UAV/drone photogrammetry, GIS, remote sensing, and BIM — within professional practice in Lesotho;

4.12 To foster gender equity and youth participation in the geomatics profession, including through dedicated student and young professional programmes;

4.13 To maintain liaison with regional and international geomatics bodies, including the SAGC, the International Federation of Surveyors (FIG), and relevant SADC professional networks;

4.14 To represent the interests of LGI members in engagements with the Land Administration Authority, the Ministry responsible for land, and other organs of state on matters affecting the profession.

6. Membership

There shall be two classes of membership:

6.1 **Members with Voting Rights**

(a) To qualify for membership under this class, a person shall fulfil the following requirements:
(b) He or she must be either a licensed surveyor,
(c) He or she must have paid the registration fee in the prescribed amount before or on registration under this constitution.

6.2 **Members with No Voting Rights (Associate Members)**

(d) To qualify for this class of membership, a person shall fulfil the following requirements:
(e) He or she must be either a licensed surveyor, who is not registered prior to or on registration of this constitution; or
(f) He or she must be studying towards obtaining, or pursuing, a degree or diploma in land survey or geomatics.

6.2.1 Eligibility under this class of membership (Associate) shall be determined by the Committee with the approval of members.

6.2.2 Associate members shall pay a registration fee in the prescribed amount; student members shall pay the prescribed student registration fee.

6.2.3 An Associate member shall qualify for membership with voting rights provided:

(g) He or she has completed one year of probationary membership;
(h) He or she has been an active member during the probationary period; and
(i) He or she has been found competent by the Committee.

6.3 **Student Member**

A student member shall pay the prescribed student entry fee.

6.4 **Application for Membership**

Any application for membership shall be made on a prescribed form in duplicate, bearing the names and signatures of a proposer and seconder, both of whom shall be subscribed members; provided that an applicant may propose his or her own name for membership.

6.5 **Patron**

The Association may invite any person of good standing to become a Patron of the Association.

6.6 **Termination of Membership**

Membership may be terminated due to:

(j) Death of a member;
(k) Resignation of a member, which shall not absolve the member from obligations to settle amounts owed. No fee shall be refunded on resignation;
(l) Failure to pay dues three months after close of the financial year, after written notice of intent to terminate. Reinstatement requires payment of dues plus 10% interest, and compliance with current eligibility requirements;

(m) Expulsion for violation of the constitution, code of conduct, or rules, after the member has been heard; or
(n) Revocation of a licence by the Land Surveyors' Board, upheld by the High Court.

6.7 **Membership shall follow this framework**,

(o) Honorary Life Member, nominated by the Committee and elected by a two-thirds majority of members in accordance with the Constitution, with full voting rights.
(p) Fellow (FLGI), professional Member with a minimum of ten (10) years of continuous membership who has demonstrated distinguished leadership, outstanding professional achievement, and significant contribution to the surveying and geomatics profession, with full voting rights.
(q) Professional Member (PLGI), a Licensed Professional Land Surveyor registered in terms of the Land Survey Act or any successor legislation, with full voting rights.
(r) Graduate Member holds a recognised degree in Land Surveying, Geomatics, GIS, or a related discipline and is completing the prescribed professional training or work experience towards professional registration, with no voting rights.
(s) Technologist Member Holds a recognised National Diploma or equivalent qualification in surveying or geomatics and is registered with the relevant professional authority or practising under the supervision of a Professional Member, with full voting rights.
(t) GIS Practitioner Member holds a recognised qualification in Geographic Information Systems (GIS), Geospatial Science, or a related field and is actively practising in the geospatial profession. Full voting rights.
(u) Associate Member, an allied professional or individual whose qualifications or experience are considered beneficial to the objectives of the Association, admitted at the discretion of the Committee. No Voting rights.
(v) Retired Member, a former active member who has retired from full-time professional practice and was in good standing with the Association at the time of retirement. Full voting rights.
(w) Student Member, a student currently enrolled in an accredited programme in Land Surveying, Geomatics, GIS, or another recognised geospatial discipline. No voting rights.

6.8 **Membership Admission**,

(x) Applications shall be submitted to the Secretary in prescribed form with registration fee and documents.
(y) Committee shall determine applications within 30 days of receipt of a complete application.
(z) Committee may refuse where eligibility criteria are not met; applicant shall be informed in writing and
(aa) may appeal to Committee within 30 days.
(bb) Membership commences on date of written notification of acceptance and payment of annual subscription.

6.9 **Maintenance of Membership**

6.9.1 Members shall maintain good standing by:

(cc) paying annual subscriptions by the due date;
(dd) meeting CPD requirements per Article CPD;
(ee) adhering to the Code of Ethics per Article Ethics; and
(ff) maintaining, where applicable, a valid practising licence from the Land Surveyors Board.

6.9.2 A member who fails to maintain good standing may, after due notice, be suspended or have membership terminated in accordance with the disciplinary procedures per Article Discipline.

7. Funds

7.1 **Sources of Funds**

The funds of the Association shall consist of:

(a) Registration fees, which shall be non-refundable;
(b) Annual subscription fees, which shall be reviewed from time to time and shall be non-refundable;
(c) Fund-raising activities such as donations, direct jobs to the association, voluntary contributions, raffles, social activities, and other activities authorised by the Committee with the approval of members.

7.2 **Application of Funds**

(d) The funds of the Association shall be applied solely to further the Association's aims and objectives.
(e) The funds shall be deposited into a bank operating in Lesotho.
(f) Signatories shall be any two of the following: President, Secretary, and Treasurer.

7.3 **Fee Structure**

7.3.1 The Committee shall set and publish, by resolution at each AGM, the fee schedule covering:

(g) Once-off registration fee per membership category;
(h) Annual subscription fee per category;
(i) Restoration fee for lapsed members seeking reinstatement;
(j) CPD activity fees for LGI-hosted events (where applicable).

7.3.2 Fees shall be reviewed annually with reference to LGI's financial requirements, economic conditions in Lesotho, and equivalent fees charged by comparable bodies in Southern Africa.

7.3.3 Members experiencing genuine financial hardship may apply in confidence for fee deferral or reduction.

7.4 **Financial Governance,**

(k) Financial year: 1 April to 31 March.
(l) Treasurer to prepare annual financial statements, audited by an independent auditor appointed at AGM.
(m) Audited statements to be circulated to all members at least 21 days before the AGM.
(n) No single expenditure exceeding M5,000 shall be incurred without prior Committee approval.
(o) The Committee shall maintain a reserve fund equivalent to at least six months of operating expenses.

8. Continuous Professional Development

8.1 LGI shall maintain a CPD programme for all Professional, Technologist, and GIS Practitioner Members.
8.2 Annual CPD Requirements:
(a) Professional Members: minimum 25 CPD hours per calendar year;

(b) Technologist Members: minimum 20 CPD hours per calendar year;
(c) GIS Practitioner Members: minimum 20 CPD hours per calendar year;
(d) Graduate Members: minimum 10 CPD hours (encouraged, not mandatory);
(e) Student Members: exempt.

8.3 CPD activities shall be classified as:

(a) Structured CPD — formal courses, workshops, conferences with verifiable outcomes (max 60%);

(b) Unstructured CPD — self-directed study, technical reading, mentoring (min 40%).

8.4 Members shall maintain a CPD record and submit it to the Association by 31 March of the following year.

8.5 The Committee shall maintain a CPD Committee to accredit activities, review records, and advise on non-compliance.

8.6 A member failing CPD requirements for two consecutive years may be suspended from voting membership and, if failure continues, referred to the disciplinary process.

9. Regional and International Liaison

9.1 The Committee shall actively seek to establish and maintain formal liaison or affiliation with:

(a) The South African Geomatics Council (SAGC) — for mutual recognition of qualifications and CPD;

(b) The International Federation of Surveyors (FIG) — principal international surveying body;

(c) The African Association of Remote Sensing of the Environment (AARSE); and

(d) Relevant SADC professional bodies and government agencies in land administration.

9.2 The President or a Committee-appointed delegate shall represent LGI at regional and international meetings.

9.3 The Committee shall promote mutual recognition arrangements with Regional and International bodies such that LGI Professional Members with equivalent qualifications may, through a bridging process, achieve SADC members registration — and vice versa.

10. Professional Indemnity Insurance

10.1 There Association shall ensure — as a condition of Professional Membership — that all Professional and Technologist Members in private practice maintain professional indemnity insurance appropriate to the scale and nature of their practice.

10.2 The Committee shall investigate the feasibility of a group professional indemnity scheme and report to the AGM within two years of adoption of this amendment.

10.3 Members shall disclose their professional indemnity status on their annual membership renewal form.

11. Emerging Technologies and Innovation

11.1 The Committee shall establish a Technology and Innovation Committee to:

(a) Monitor developments in geomatics technology — UAV/drone, LiDAR, GNSS, mobile mapping, photogrammetry, and GIS — relevant to Lesotho;

(b) Advise on minimum competency standards for members practising with emerging technologies;

(c) Liaise with the Chief Surveyor board and relevant stakeholders on technical standards for drone-acquired survey data for cadastral purposes;

(d) Recommend CPD activities that build member capacity in new technologies.

11.2 The Association shall maintain a resource library aligned with ISO 19100-series standards (ISO 19115 metadata, ISO 19157 data quality, ISO 19111 CRS) and OGC open standards.

12. Young Surveyors and Students Engagement

12.1 The Association shall establish a Young Surveyors Chapter (YSC-LGI) open to Student and Graduate Members, and to any Professional or Technologist Member under 35.

12.2 The Young Surveyors Chapter shall:

(a) Be led by an elected Chairperson who serves as co-opted member of the LGI Committee;

(b) Organise at least two events per year for student and early-career members;

(c) Liaise with Local Institutions offering geomatics programmes.

12.3 The Committee shall allocate a defined annual budget to support Young Surveyors Chapter activities.

13. The Structure of the Association

There shall be:

13.1 The General Assembly, consisting of all members of the Association, which shall be the supreme governing organ of the Association.

13.2 The Committee, elected by the General Assembly, to manage the affairs of the Association.

(a) To do such lawful things as in the opinion of the Committee may be in the interest of the Association.

13.3 **Composition of the Committee**

(b) The Committee shall consist of:

(c) the President;

(d) the Vice-President;

(e) the Honorary Secretary;

(f) the Honorary Treasurer;

(g) One Ordinary Member elected by Professional and Technologist Members at the AGM;

(h) One co-opted representative of Student and Graduate membership.

13.4 **The Committee shall seek to ensure**:

(i) at least one-third of elected Committee members are women;

(j) at least one Committee member is under 35 at time of election;

(k) all regions of Lesotho are represented where practicable.

13.5 **Term Limits:**

(l) President: two-year term; maximum two consecutive terms in the same office.

(m) Vice-President: two-year term; expected but not obliged to succeed to the Presidency.

(n) Ordinary Members: two-year terms; maximum three consecutive terms.

(o) No person shall serve on the Committee (in any capacity) for more than ten consecutive years without a break of at least two years.

13.6 **Duties and powers of the committee**:

(p) To institute or defend legal proceedings on behalf of the Association.

(q) To invest moneys and funds as directed by the General Assembly.

(r) To borrow or raise money as directed by the General Assembly.

(s) To determine, with approval form the General Assembly, eligibility for membership of the Association.
(t) To acquire property on behalf of the Association and to sell, let, mortgage, deal with movable or immovable property as sanctioned by the General Assembly.
(u) To arbitrate over disputes and to hear and determine any proceedings brought against any member for the breach of this constitution, or rules or code of conduct made under this constitution.
(v) To engage the services of any professional to assist in the execution of certain duties requiring the service of such a professional.
(w) To do such lawful things as in the opinion of the committee may be in the interest of the Association.

13.7 **Functions of Individual Committee Members**:

13.7.1 The President;

- He/She must be Professional Member (PLGI) in good standing; Licensed Professional Land Surveyor.
- Preside over all meetings of the General Assembly and the Committee; hold a casting vote on all tied decisions.
- Convene a special general meeting when petitioned in writing by six or more members.
- Provide strategic direction for the Association and ensure decisions align with LGI's objectives under the Land Survey Act.
- Represent LGI before the Chief Surveyor's office, the Land Surveyors' Board, the LAA, and the Commissioner of Lands.
- Serve as LGI's delegate at SAGC, FIG, and regional geomatics events, or designate a Committee-appointed delegate.
- Advocate for the profession before all stakeholders and partners.
- Joint bank signatory with any one of the Honorary Secretary or Honorary Treasurer.

13.7.2 The Vice-President:

- He/She must be Professional Member (PLGI) or Technologist Member in good standing.
- Act as President in the President's absence with all attendant powers and responsibilities.
- Lead a designated portfolio assigned by the Committee — typically CPD coordination, regional and international liaison, or technology and innovation.
- Shadow the President's external relationships and progressively take on representation duties.
- Progressively manage engagement with the Ministry of Education and tertiary institutions on programme recognition.
- Support regional SADC engagement as capacity allows.

13.7.3 Honorary Secretary:

- He/She must be a Professional or Technologist Member in good standing. Strong organisational and written communication skills essential.
- Call all meetings of the Committee and the General Assembly with adequate notice to all members.
- Receive constitutional amendment motions at least 30 days before the relevant general meeting and notify all members accordingly
- Take accurate minutes of all Committee and General Assembly meetings.

- Maintain the minute book; ensure minutes are signed by the President and Secretary after being passed as a correct record.
- Maintain the membership register; process membership applications.
- Handle all official correspondence of the Association, including formal correspondence with the Chief Surveyor's office, the LAA, the Commissioner of Lands, and external professional bodies.
- Keep the Association's constitution, rules, and all legal records.
- Maintain any Committee-approved public communications (website content, disciplinary outcome summaries).
- Receive and formally record written disciplinary complaints from any person; forward to Committee.
- Joint bank signatory with any one of the President or Honorary Treasurer.

13.7.4 Honorary Treasurer:

- He/She must be Professional or Technologist Member in good standing. Financial literacy required; preference for members with accounting or financial management background.
- Accountable to the Committee and General Assembly for all financial matters of the Association.
- Maintain full and accurate financial records of all income and expenditure.
- Ensure all funds are deposited into the Association's bank account at a bank operating in Lesotho.
- Joint bank signatory with any one of the President or Honorary Secretary.
- Prepare annual financial statements for audit by an independent auditor appointed at the AGM.
- Circulate audited statements to all members at least 21 days before the AGM.
- Report to the AGM on the Bursary and Professional Development Fund under separate accounts.
- Ensure no single expenditure exceeding M5,000 is incurred without prior Committee approval.
- Maintain a reserve fund equivalent to at least six months of operating expenses.
- Propose the annual fee schedule for Committee and AGM approval.
- Review fees annually against LGI's financial requirements, SAGC/SAGI fee movements, and Lesotho's CPI.
- Administer registration fees (non-refundable), annual subscriptions (non-refundable), and restoration fees.
- Manage applications for fee deferral or reduction from members in genuine financial hardship.

13.7.5 Ordinary Member:

- He/She must be Professional Member (PLGI) or Technologist Member in good standing. Should where practicable represent a region of Lesotho beyond Maseru.
- Perform duties assigned by the Committee on a portfolio basis — e.g., CPD coordination, education liaison, technology outreach, gender equity, or regional outreach.
- Act for any other Committee member during absence with full Committee authority.
- Contribute to all Committee decisions as a voting member.

- Chair or serve as a member of standing sub-committees as assigned — CPD Committee, Technology and Innovation Committee, or ad hoc working groups.
- The Committee should formally assign one named portfolio to each Ordinary Member at the first meeting following election.
- Represent the views and professional concerns of Professional and Technologist Members in Committee deliberations, particularly practical field issues, survey fee tariff matters, and technical standards.

13.7.6 Young Surveyors Chapter Chairperson/Student and Graduate Representative:

- He/She must be Student or Graduate Member; must be under 35 at time of election. Not subject to standard professional membership eligibility.
- Lead the Young Surveyors Chapter (YSC-LGI), open to all Student and Graduate Members and to Professional/Technologist Members under 35.
- Organise at least two events per year for student and early-career members.
- Manage the annual budget allocated by the Committee to the Young Surveyors Chapter.
- Maintain active liaison with institutions offering recognised geomatics programmes in Lesotho.
- Facilitate LGI membership awareness and student recruitment at tertiary institutions.
- Represent the interests of Student and Graduate Members in all Committee deliberations.
- Serve on the CPD Committee to ensure CPD activities are accessible and relevant to early-career members.

13.8 Sub-Committees:

13.8.1 **CPD Committee**, composed of Minimum 3 members; appointed by the Committee. Should include the YSC Chair where practicable.

- Assess and approve CPD activities submitted by members or external providers for LGI CPD credit.
- Classify activities as structured CPD (formal; maximum 60% of annual requirement) or unstructured CPD (self-directed; minimum 40%).
- Review annual CPD returns submitted by members by 31 March each year.
- Advise the Committee on members failing to meet CPD requirements for two consecutive years, who may be suspended from voting membership.
- Liaise with the Land Surveyors' Board on any CPD requirements associated with licence maintenance.
- Explore mutual recognition of CPD programmes with SAGC and SAGI.

13.8.2 **Technology and Innovation Committee**, composed of Minimum 3 members; should include active practitioners in GIS, GNSS, photogrammetry, and UAV/drone operations

- Monitor geomatics technology developments relevant to Lesotho: UAV/drone, LiDAR, GNSS, mobile mapping, photogrammetry, and GIS.
- Advise the Committee on minimum competency standards for LGI members practising with emerging technologies.
- Maintain liaison with the Chief Surveyor board and all stakeholders on technical standards for drone-acquired survey data for cadastral purposes.
- Recommend CPD activities that build member capacity in new technologies.

- Maintain LGI's resource library aligned with ISO 19100-series standards (ISO 19115 metadata, ISO 19157 data quality, ISO 19111 CRS) and OGC open standards.
- Advise the Committee on national geospatial standards relevant to LGI members, including in the context of the NSDI initiative.

13.8.3 **Disciplinary Committee**, composed of Three members appointed by the Committee; must not include the subject member; may include one external geomatics professional. Must follow these Processes:

- Written complaint submitted to the Honorary Secretary by any person.
- Committee appoints a Disciplinary Committee of three members.
- Subject member notified in writing; minimum 21 days allowed to respond.
- Inquiry conducted within 60 days; outcomes include: dismissal; formal censure; suspension; termination of membership; referral to the LAA or Land Surveyors' Board where a breach of the Land Survey Act is involved.
- Member has a right of appeal to the full Committee within 30 days of the outcome.

14. Accredited Institutions

The Committee shall maintain and publish a list of institutions whose geomatics, land surveying, and GIS qualifications are recognised for membership eligibility. The list shall include, at minimum, Lerotholi Polytechnic and other SAQA-equivalent institutions in Lesotho and the region. The Committee shall review the list every three years.

15. Bursary and Professional Development Fund

The Committee may establish a Bursary and Professional Development Fund, funded by voluntary contributions from members, corporate supporters, and development partners. The Fund shall be used to:

(a) Award bursaries to Student Members enrolled in recognised geomatics programmes;
(b) Subsidise member attendance at CPD events;
(c) Support participation of LGI representatives at regional and international meetings;
(d) Fund research or publications that advance the geomatics profession in Lesotho.

The Fund shall be managed under separate accounts and reported on annually to the AGM.

16. Women and Marginalised Groups in Geomatics

The Association recognises the under-representation of women and marginalised groups in the geomatics profession in Lesotho and shall:

(a) actively promote pathways for women and marginalised groups through student outreach and mentoring;
(b) ensure CPD activities are accessible to women and marginalised groups, including through flexible scheduling and virtual delivery;

(c) report annually to the AGM on the gender composition of its membership and Committee;
(d) work with tertiary institutions and the Chief Surveyors Board to identify and address barriers to female participation in surveying education and practice.

17. Environmental and Social Responsibility

Members, in conducting their professional activities, shall have regard to:

(a) The environmental sensitivity of Lesotho's highland terrain, watersheds, and protected areas when planning and executing field surveys;
(b) The rights and interests of communities affected by cadastral and infrastructure surveys, including free, prior, and informed consultation where surveys affect communal or customary land;
(c) The principles of responsible land administration under the Land Act 2010, including equitable access to land and transparent boundary processes.

18. Complaints by Members of the Public

Any member of the public who believes they have been professionally wronged by an LGI member — including by inaccurate survey work, misrepresentation of licence status, or unethical conduct — may submit a written complaint to the Honorary Secretary. The complaint shall be processed in accordance with Disciplinary Procedure. LGI shall maintain a public summary of completed disciplinary outcomes (excluding personal details) on its website.

19. Meetings

19.1 **Meetings of the Committee**

(a) The Committee shall meet quarterly in every year and may call special meetings as need arises.
(b) The quorum of the Committee shall be made by four members.
(c) In the absence of the President, the Committee may nominate any member to chair the meeting.
(d) Decisions shall be by consensus or majority vote; the President shall have a casting vote.
(e) The Secretary shall keep minutes and record them in a minute book, signed by the President and Secretary after being passed as a correct record.

19.2 **General Assembly**:

(f) The General Assembly shall meet once in every four months, however President may convene the special general meeting if so petitioned by six members.
(g) Quorum of the meetings of General Assemble shall be two-thirds of members. If there is no quorum, the next meeting shall be called after fourteen (14) days and at such a meeting the quorum shall be made by six members.
(h) Annual General Meeting shall be convened at the end of the financial year to discuss among others;

- Annual report and
- Financial report and
- To elect new committee.

20. Code of Professional Ethics

All members shall:

20.1 Act with integrity and in a manner that upholds public confidence in the surveying profession;
20.2 Perform only work for which they have the necessary competence, qualifications, and statutory licence;
20.3 Maintain accuracy and integrity of all survey records, plans, and certificates prepared or certified;
20.4 Disclose to clients any conflict of interest that may affect professional judgement;
20.5 Not misrepresent their qualifications, registration status, or scope of LGI membership;
20.6 Treat colleagues, clients, employees, and the public with respect and without discrimination;
20.7 Support training and development of technicians, graduate surveyors, and students; and
20.8 Cooperate with any inquiry or investigation conducted by LGI under the disciplinary procedure.

21. Disputes

Disciplinary Procedure shall be that:

21.1 A complaint against a member may be submitted in writing to the Honorary Secretary by any person.
21.2 The Committee shall appoint a Disciplinary Committee of three members (not including the subject) to investigate the complaint. The Committee may include one external geomatics professional.
21.3 The member shall be notified in writing and given not less than 21 days to respond.
21.4 The Committee shall conduct its inquiry within 60 days and may recommend:
(a) Dismissal of the complaint;
(b) Formal censure;
(c) Suspension for a defined period;
(d) Termination of membership;
(e) Referral to the LAA or other authority where the matter involves a breach of the Land Survey Act or related legislation.
21.5 The member shall have the right to appeal any disciplinary outcome to the full Committee within 30 days.

22. Financial Year

The financial year shall be from 1st April to 31st March of the ensuing year.

23. Books and Documents of the Association

The committee shall maintain such books and documents as are needed for the smooth running of the Association Affairs amongst them:

(a) Register books for members

(b) Minute Books, one for the committee, the other one for the General Assembly.
(c) Receipt Books
(d) Ledger Books
(e) Journal Books
(f) Any other Books that may be required to be kept.

24. Auditors

The Accounts of the Association shall be audited annually by auditors appointed by the committee. The audited accounts shall be circulated to members within two months after the audit.

25. Amendments of the Constitution

Any motion seeking amendments to the constitution shall be proposed, seconded, and signed; and such motion must reach the Secretary at least thirty (30) days prior to the general meeting, to enable the Secretary to notify all members. All amendments must be approved by a two-thirds (2/3) majority of the voting members present at the meeting.

26. Dissolution

26.1 The Association may be dissolved by a resolution of a two-thirds (2/3) majority vote at a general meeting called for that purpose, provided two months' notice is given to all members prior to the said general meeting.

26.2 The Association may also be dissolved by order of court where it is insolvent.

26.3 On dissolution, assets and property shall, after payment of all debts, be disposed of for charitable purposes as members at the general meeting decide.
